The eChild Support Portal provides an easy and convenient way to connect with child support services 24-7!

eChild Support PORTAL

Our updated mobile friendly website will allow you to:

Make payments and review payments, case information, appointments, hearing information, and request payment history
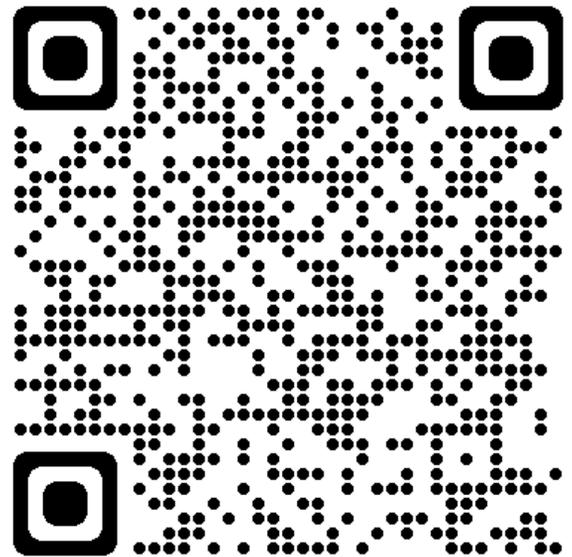

Apply for services, upload documents, print forms, submit direct deposit requests, and email local worker

Update address, phone numbers, and employment information, complete customer survey and provide anonymous tip

Review policies, calculate estimated support using NC Guidelines, and see answers to most Frequently Asked Questions

Visit ncchildsupport.ncdhhs.gov for more information.
